### Interesting Facts

- California's 54 mile Sanger Flume was the longest ever constructed. It was completed in 1890 at a cost of \$300,000 - equivalent to nearly \$6 million today.
- The term "skid row" takes its name from the run-down saloons and boarding houses near the skid roads of western logging camps.
- Wood abounds in medicine cabinets. Pills in tablet form are held together with lignin - a glue extracted from trees. Adhesive on bandages is made from sap. Toothpaste owes its consistency to cellulose, a natural wood polymer.  
Taken from Modern Marvels

### April Dates to Remember

- May 10 - Mothers Day
- May 12 - ASHRAE Meeting
- May 14 - Center Point Conference
- May 20 - ASPE Meeting
- May 25 - Memorial Day

## NEWS

### Gordon Piatt Closing

John Zink will be closing its Gordon Piatt division on May 1st. Unfortunately, we are unsure as to what kind of service will be available after that date. However, we still have parts available at this time.

## NEW PRODUCT LINE

### POWER FLAME

Ryan Company is now the representative for Power Flame burners. They are a privately owned company with no corporate philosophy. They have great people who are very personable, helpful, and responsive. We are looking forward to a great future with them.

#### Overall Capabilities

17,000 to 63,000,000 BTU/HR input.  
Gases: Natural, LP, Mixed, Digester  
Oils: No. 2, No. 4, No. 5, No. 6, Waste  
Combinations: Gas - Oil, Gas - Gas

#### Applications

Firetube, Watertube and Cast Iron Boilers, Dryers, Airheaters, Incinerators, Solid Fuel Ignitors and Others.

#### General Features

Factory wired, assembled and tested. Each burner is put through a complete operational fire test at the factor to insure quality and minimize possible problems at field startup. Choice of modulating, high-low or on-off control systems with low fire start or proven low fire start with pre-purge and post purge air control.

#### Fuel Oil Pumpsets

High pressure remote mounted burner pumpsets & low and intermediate transfer pumpsets. These are available in a simplex or duplex motor configuration.

#### Accessories

Oil pumping and heating systems \* Air compressors for air atomizing oil burners \* Pre-piped gas trains \* Custom control panels and boiler control centers. Skid mounted single or multiple burner units \* Frontplates and refractories.
