## Trivia Question

**Name Fulton's newest Boiler?**

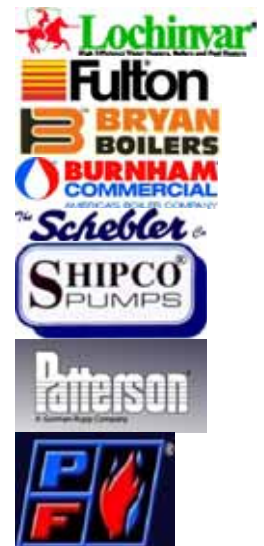

First 5 correct answers will receive a prize? Please include address with your emailed answered.  
[matt@ryancompanyinc.com](mailto:matt@ryancompanyinc.com)

**Contact Matt to set-up your lunch and learns now. Topic: The Endura Boiler from Fulton and how we design today's systems.**  
[matt@ryancompanyinc.com](mailto:matt@ryancompanyinc.com)

Mechanical Engineer: Nexus Solutions.  
Mechanical Contractor: Klam Mechanical Equipment:  
-(4) Fulton Dual Fuel Vantage Condensing Boilers -Model VTG-3000DF.  
-Combination Gas and #2 Fuel Oil Burners.  
-Each Boiler is 3000 MBH input.  
-Fulton ModSync Sequencing Controller.  
-Schebler Event boiler Chimney stacks

Each Vantage boiler has a 5:1 turndown which equates to a 20% minimum firing rate (This 4 boiler package will provide an overall 20:1 turndown). The Fulton ModSync incorporates a true PID controller that will fire each boiler at low fire (20%) until all boilers are on and then modulate all boilers as required. This will allow the boilers to condense at a higher rate and achieve the greatest efficiency possible. We are anticipating a 20-30% annual savings as compared to standard efficiency boilers.

**Ryan Company has new office hours. We are now open at 7 AM through March 1st. This includes our parts department!**

## New Website Features

Need last minute PDH's. Our website now features approved learning powerpoint presentations to get those last minute hours. Simply go to the continuing ed tab and select lunch and learns. Send Matthew Kiemen an email once you have viewed the presentation and Matt will send a quiz that is related to the presentation you viewed. Pass the quiz and you get hour. Some quizzes including: pipping design refresher, full flow design, general sizing and selection ideas for you hydronic system. Other new features:

- updated Schebler information
- new boilers from Fulton and Lochinvar
- A news Blog
- Virtual boiler room with ever changing features

## Coming Next Month

- How to design a full flow system
- Job of the Month
- a new trivia question to win a prize

Contact Matthew Kiemen with questions or to sign up for anything Ryan related. [matt@ryancompanyinc.com](mailto:matt@ryancompanyinc.com)
