- No Boiler pump requirement
- 160 psig design pressure
- Boilers/Burners are AHRI certified on BOTH natural gas and fuel oil.
- Boiler package(boiler and burner) are UL Listed for Natural Gas and Oil

Job Of The Month: Hutchinson Health Care

Fulton Vantages and Fulton VSRTs used to Meet this Healthcare Facilities Needs

Project: Hutchinson Health
Location: Hutchinson, MN
Mechanical Contractor: Horwitz
Equipment: (3) Fulton Vantages 3000 gas/oil
(2) Fulton VSRT 40 with Steam Ancillary Equipment

When Ryan Company was asked to provide equipment options for a Health Care Facility we knew that **Fulton was the perfect choice**. Not only does Fulton provide the best Dual Fuel Condensing boiler on the market to meet the heating needs of the client. Fulton also has an extensive steam product line to meet the Hospital's need for humidification that features a game changing vertical boiler know as the VSRT. This vertical steam boiler really sets Fulton apart from the other steam boiler manufacturers in the market today. **With the VSRT you are able to have the industry's smallest footprint while having an efficiency of up to 86%(the best in the industry) along with having a steam quality that is untouched by most at greater then 99.75% and has a 10 year PV warranty on the VSRT. All these factors make the VSRT the perfect steam boiler for your healthcare, food processing, and brewery steam boiler needs. Fulton really is changing the game when it comes to your Steam and hydronic needs in todays boiler world. This project really has been a win for all parties involved.**

With Ryan Company and Fulton providing all the boilers for this project it has allowed Ryan Company to provide startup on all products provided which makes project management much easier as you are dealing with one vendor. We at Ryan Company appreciate the trust the client put into us to provide the best equipment and service possible. We also would like to thank Fulton for providing the best equipment around and we appreciate there partnership thru the years.

So if you have steam or hydronic boiler needs please consider Ryan Company and Fulton. AS WE HAVE YOU COVERED!!

TAKE COMMAND OF THE BOILER ROOM WITH RYAN COMPANY!!!
